Psalm 78:17 (King James Version)

Text of Psalm 78:17 (KJV):

> And they sinned yet more against him by provoking the most High in the wilderness. [1] [2] [3]

This verse refers to the continued rebellion and sin of the Israelites against God during their time in the wilderness, despite the miracles and provisions He had given them. The context highlights their persistent disobedience and lack of faith while journeying through the desert after their exodus from Egypt[4] [5] [6].

The Divine Wrath of God in the King James Version Bible

Definition and Nature

The "wrath of God" in the King James Version (KJV) refers to God's holy and just anger against sin, unrighteousness, and disobedience. It is portrayed as a divine response to human rebellion, particularly idolatry and persistent disobedience[7].

Key Verses Illustrating Divine Wrath

- **Romans 1:18**: "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness"[8] [9] [10]. This verse highlights that God's wrath is directed at all forms of ungodliness and the suppression of truth.
- **John 3:36**: "He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him"[11]. This underscores the consequences of rejecting Christ.
- **2 Kings 22:17**: "Because they have forsaken me, and have burned incense unto other gods, that they might provoke me to anger with all the works of their hands; therefore my wrath shall be poured out upon this place, and shall not be quenched"[12]. This shows divine wrath as a result of idolatry and forsaking God.
- **Colossians 3:6**: "For which things' sake the wrath of God cometh on the children of disobedience"[12]. Here, God's wrath is linked to persistent disobedience.

Theological Understanding

- In the Old Testament, God's wrath is often a response to idolatry and covenant-breaking, manifesting in judgments or calamities upon individuals or nations[7].

- In the New Testament, it is revealed as both a present reality (seen in the consequences of sin) and a future event (final judgment)[8] [10].
- God's wrath is not arbitrary but is rooted in His perfect justice and holiness[13].

Summary Table: Key Aspects of Divine Wrath

Aspect	Old Testament Example	New Testament Example
Cause	Idolatry, disobedience	Rejection of Christ, unrighteousness
Manifestation	Calamity, exile, destruction	Spiritual separation, final judgment
Purpose	Justice, correction, covenant fidelity	Justice, call to repentance

Conclusion

The KJV consistently presents the divine wrath of God as a just and holy response to sin, serving as both a warning and a call to repentance for humanity[8] [12] [7].
